A Very Special Love Story 2: V.S.O.P (V.S.O.P.) Danielle Marcus

Renee and Diesel are back with their steamy love affair. It seems as if the harder they push to be together, the more the weight of the world tries to pull them apart. The skeletons of their past keeps falling out of their closets and it will take true love to hold them together.

Mel is dead set on making Diesel and his family pay for the checkered past that she feels he created. She persists to pull one devious trick after another to assure that he gets what he deserves. But, when an unexpected guest invites their way into her life and completely takes it over, she doesn't know whether she is coming or going and by the time she realizes it, she may be too late...

The crew is back in this tale of love, deceit and betrayal. Secrets and lies are brought to the forefront, loyalty and friendships are tested, but most importantly will the strength of love pass the biggest test of all time?
