Create a Legacy is a workbook that is designed to capture the highlights and key components of one's life. It focuses on the 4 pillars of a legacy: Our life's lessons, our "stuff," our finances and our final wishes. It is a trip down your personal memory lane, and an opportunity to share the lessons that were important to you. This workbook will allow you to revisit things that were significant in your life and to document them for your loved ones. It will cause you to simplify, organize and strategize your financial picture so that your loved ones won't have a mess on their hands. It will allow you the opportunity to determine who gets what when it comes to your "stuff," and to alleviate that burden on your loved ones once you are no longer with them. Each aspect is set up for an in-depth opportunity to document memories, desires and wishes.
