Authors Note Let's get ready to chillax some more with Miss Terri Vaughn. She will take us on her journey and share with us as she grows. Miss Terri have so much to be grateful for. In these pages you will find out how she develop and grow as she is exposed to stages of life as a young woman coming into Ministry. She will share as she learn to embrace the newness of being a young woman coming into a portion of the Kingdom that demands dedication and commitment. I have written this book in a story form. Many of the incidences I have experienced myself being in the church. Our desire is that you will read and become amazed with the life of Terri and her friends as she expresses her life and explores stages of Ministry assigned to her. Some parts will make you smile, as I have. Some parts will make you cry, as I have. Some parts will make you want to pray, as I have. Some parts will send you into a praise or a worship, as I have. Whatever it move you to do, may it move you to enjoy it as much as I've enjoyed writing it.
