This book will help you learn how to manifest your desires so that you're living the joyous and fulfilling life you deserve. You'll re-discover and understand how all things, wanted and unwanted, are brought to you by this most powerful law of the universe, the Law of Attraction—that which is like unto itself is drawn.

You've most likely heard the saying "Like attracts like" or "Birds of a feather flock together" or "It is done unto you as you believe"—a belief is only a thought you keep thinking— and although the Law of Attraction has been alluded to by some of the greatest teachers in history, it has never before been explained in as clear and practical terms as in this latest book by spiritual author, Abraham.

Learn here about the omnipresent Laws that govern this Universe and how to make them work to your advantage. The understanding that you'll achieve by reading this book will take all the guesswork out of daily living. You'll finally understand just about everything that's happening in your own life as well as in the lives of those you're interacting with. This book will help you to joyously be, do, or have anything that you desire!

In *The Abraham Method*, readers are taught how to shift their vibration — and apply the Law of Attraction to attract anything they want into their lives: love, relationships, money, wealth, health, sex, happiness. The value of these timeless techniques is that they work every time, no matter what. Learn the secret technique of Abraham, as well as a special way of *writing down your desires* to guarantee that they will manifest.

The universe you live in works very much like a popular restaurant. You go in, you decide what you want, you order it, you receive it, and you digest it.

Unfortunately, a lot of people don't seem to know how to order. Some are downright inept at it. They walk into this restaurant, behave like complete idiots, and they end up hungry and disappointed. I've heard enough of this drivel to last a lifetime. It's reached the point where I may start carrying around a squirt gun and shoot people in the eye when they say stuff like this.

Those are crap goals. Don't waste your time on them. And definitely don't say them within earshot of me. Setting such goals is the equivalent of walking into a restaurant and proclaiming, "I'm hungry. I want some food."
