Hop aboard the Thingamajigger and join the Cat and Co. as they travel the world and visit six different habitats—a tropical rainforest, the African savanna, a desert, the Arctic, a rocky shore, and Sally's backyard—in this sturdy, oversize board book with 50 flaps about places visited in the PBS Kids show *The Cat in the Hat Knows a Lot About That!* See that jaguar hidden in the rain forest? Lift the flap to find out how its spotted fur helps the big cat disappear in the dappled light. See that patch of sand on the beach? Lift the flap to find a soft-shelled clam buried in the sand! Perfect for little hands and curious minds, this is a great way to introduce natural history featuring a character kids know and love!
