Mark and his friends make plans for a vacation in Rio de Janeiro and book a room on Copacabana beach. On their first day Mark spies a beautiful woman playing volleyball named Gyovanna. He soon finds out that she is a travesti or transsexual and becomes smitten with her.

Over the course of his vacation they continue running into one another and it appears as though Mark will leave Rio never getting a chance to know this mysterious and beautiful transsexual.

On Mark's final night he goes for a walk on the promenade and fate intervenes.

This 8,300 word short story begins the romance between Mark and the beautiful Brazilian transsexual Gyovanna. This story is for adults only.

Mark decided to go for a walk on the beach alone and headed off in the direction of the volleyball courts hoping to catch a glimpse of Gyovanna. When he passed the volleyball courts there were a group of people chatting when suddenly he was hit by a volleyball. Gyovanna came running to pick it up and Mark smiled. Behind her Gyovanna's friends were rolling their eyes while the guys gave Gyovanna an odd look.

"You seemed to have lost something."

"Yeah, thanks. Mark right?"

"Yeah, Gyovanna?"

"That's me. Do you play volleyball? We need one more for the guy's team. That is if you don't mind getting your ass kicked by a bunch of girls."

"Sure."
