Not the Waltons: The Making of a Boomer Glen P. Aylward

Glen Aylward is a psychologist who has been in clinical practice for 35 years, an experience that has led to many memorable encounters. These vignettes are reconstructed and combined into fictitious sessions that provide the springboard to recollections of the author's own childhood on the East Coast in the '50's and 60's. The author portrays himself as the erstwhile psychologist, Glint Wayward, engaged in humorous clinical encounters, who then in turn reminisces about actual (with some alteration and exaggeration) family and neighborhood events and observations. A brazen and laugh-out-loud funny read, the exploits will entertain readers and rekindle memories of their own childhood exploits.
