There, she lands a job as a personal assistant to the Vice President of a colossal insurance company. She vows to rebuild her life and never lose herself in another man-until she lays eyes on her hot new boss...

Marcus Tucker has never been able to give his heart completely to a woman. It will take more than a pretty face and nice body to get him to shift his focus from heading a multi-billion dollar Insurance empire. When he meets his new personal assistant, Karalee, he is surprised by her firecracker personality.

The more the two work together the more Marcus and Karalee find each other impossible to resist. Soon business and pleasure mix and the two are setting the sheets ablaze. But just when Marcus thinks he's found a woman with happily –ever-after potential, and Karalee begins to open her heart again to the possibility of love, demons from the present and past threaten to derail their relationship. And Karalee and Marcus are left wondering, if their love will survive or if they're just two time losers.
