Steve Jobs: 6 Awakening Lessons from Steve Jobs for Unlimited Success and Development of Infallible Leadership Skills (Steve Jobs, Steve Jobs books, steve jobs biography) Joshua Wilson

“I’m pretty sure that none of this would of have happened if I was not fired from Apple. It was awful tasting medicine but I guess the patient needed it. Sometimes life is going to hit you in the head with a brick, don’t lose faith” – Steve Jobs

Steve Jobs never stopped listening to his heart and intuition. Even when things were at their darkest, despite what everyone else was saying, despite an entire world telling him “NO”, he managed to drown it all out and listen only to the voice that mattered, the voice of his heart and his intuition.

This book is about the most important lessons that Steve Jobs learned throughout his life as an entrepreneur, and how they can help people become great leaders in their own right.

The book tackles certain events that have shaped Steve Jobs into the person that he came to be, the outcome of the failures and disappointments that he went through and the lessons that he has learned and shared with the world.

Every lesson in this book is based off of the events in the life of Steve Jobs and the statements that he has made through the public speeches that he made and the interviews that he had over the years.

It is made to serve as a simple guide to help people that want to become great leaders, and give them a hand discovering the things and make the changes that they need to make in order to become the successful leaders that they want to become.

The book features:

- Historical facts and data
- Quotes from public interviews and speeches
- 6 of his most important lessons
- Ways in which those lessons can be used
