The Sound of a Wild Snail Eating

Elisabeth Tova Bailey

The Sound of a Wild Snail Eating Elisabeth Tova Bailey

"The hero of this story enters . . . well . . . rather slowly. It doesn't don a cape or sport a lightening bolt on its chest, but its effects are monumental. The actions of this tiny mollusk become all-consuming . . . Everything about this slip of a book is unassuming, yet its petite size, prose, and characters rise like quiet giants from its pages." --BookBrowse.com

In a work that beautifully demonstrates the rewards of closely observing nature, Elisabeth Bailey shares an inspiring and intimate story of her uncommon encounter with a *Neohelix albolabris* -a common woodland snail.

While an illness keeps her bedridden, Bailey watches a wild snail that has taken up residence on her nightstand. As a result, she discovers the solace and sense of wonder that this mysterious creature brings and comes to a greater understanding of her own confined place in the world.

Intrigued by the snail-s molluscan anatomy, cryptic defenses, clear decision making, hydraulic locomotion, and mysterious courtship activities, Bailey becomes an astute and amused observer, providing a candid and engaging look into the curious life of this underappreciated small animal.-

Told with wit and grace, *The Sound of a Wild Snail Eating* is a remarkable journey of survival and resilience, showing us how a small part of the natural world illuminates our own human existence and provides an appreciation of what it means to be fully alive.
