Pattern Magic Tomoko Nakamichi

Pattern Magic is the cult pattern-making book from Japan. Taking inspiration from nature, from geometric shapes, and from the street, this book harnesses the sheer joy of making and sculpting clothes. The book takes a creative approach to pattern making, with step-by-step projects for fashion designers and dressmakers to enjoy. Each project is beautifully illustrated with clear diagrams and photographs showing the stages of construction, the muslins, and the finished garments.
