Talking Look and Find: Thomas & Friends Sunny Day Surprise invites children to learn about basic shapes and colors as they enjoy the interactive storybook, designed for children ages 18 months and older. Sir Topham Hatt has an important job for each of the engines. Emily needs to pick up wood, fabric, and string, and James must deliver cakes. Thomas is asked to take passengers on a ride through the countryside, where he runs into his friend Bertie the bus.

Easy for small hands to press, the book's sound button asks questions about the six beautifully illustrated Thomas & Friends scenes. Kids can find at least one answer to every challenge in each picture:

Find something red.

Search for something yellow.

Point to something purple.

Look for something orange.

Find a square.

Search for a triangle.

Point to a rectangle.

Look for a circle.

Find something soft and fuzzy.

Search for two things that are the same.

Featuring a brightly illustrated 3D cover, the book also has extra-thick, coated pages to prevent rips and tears. The plastic sound button and speaker are anchored on the book. A cutout in the pages makes the button accessible from every page. Three replaceable long-life button cell batteries that power the book are included. Talking Look and Find: Thomas & Friends Sunny Day Surprise conforms to the safety requirements of ASTM F963-08. The book has been safety tested for children 18 months and older.
