Family Property Law Cases and Materials, 5th (University Casebook Series) Thomas Gallanis

A forward-looking casebook, Family Property Law focuses on new themes in family property law in the areas of wills, trusts, estates, and probates. The book recognizes the reform-minded nature of the current era of family property law, including its changing notions of family and society, the acceptance of a partnership theory for assessing the financial aspects of marriage, and the need to reshape the law of donative transfers into a unity.
