Far and Near: A Novel (Haven Seekers Book 4) Amanda G. Stevens

Marcus, Lee, Austin, and Violet are starting over. Texas is supposed to be their sanctuary. But the Constabulary isn't ready to relinquish their worst offenders, legal jurisdiction or not. They've sent agents in undercover, and Marcus is the assigned target of one who has personal reasons to bring him back dead or alive.

Marcus and Lee are ready to be whole again, to secure a home here--together. But *wholeness* and *home* might not mean what they thought. Stopping the Constabulary hunters will require more than Marcus knows how to give, and God is about to use him again in a way he doesn't expect.

Enemies, emotions, the past, the future--everything must be faced in the quest for a true haven.
