## **Not Ashamed of the Gospel - Biblical Commentary of the Book of Romans (New Testament Commentaries 9) Earl Cripe**

D. Earl Cripe, Ph.D (1934-2011) held firmly to Historic Orthodox Christian Theology that the Bible is the only guide to the faith and practice of the Church. Towards that end during his more than forty-seven years of ministry he penned numerous volumes of expository Bible commentaries. In them he takes the reader verse-by-verse through the chosen book of the Bible, explaining the original meanings and intentions along with the applications to the life of the serious believer of Christ in simple language that anyone can grasp. They are essential reading for the serious Christian looking to further their understanding of the Holy Scriptures.

This volume is a verse-by-verse study of the Book of Romans. Rev. Cripe gives an interpretation of Romans which rises from the orthodox precept that revelation, not reason, is the test of truth. He sees faith, not intellect, as the link between man and God; the Word of God as the medium of communication, and the Holy Ghost as the Communicator. In his comprehensive commentary, Rev. Cripe disdains the intimidation of modern religious tradition and humanism. His commitment to the text and the context is immediately apparent to those who, like the Bereans, read with all readiness of mind and let the Scriptures distinguish the true from the false. With the clear, clarion voice of a prophet, Rev. Cripe incorporates independent and original thought with orthodox doctrinal disciplines that brush aside the stifling and misleading errors of rationalism. The childlike simplicity of the explanations in this book brings the mighty and timeless riches of Romans back into the reach of sincere Christians who seek the reality and vitality of the victorious Christian life evidenced by the Apostles and the Church of the first century. "The Epistle to the Romans furnishes us with the foundation stones of the Gospel," he says. Not Ashamed of the Gospel puts those foundation stones into their proper place.
