"Me too. It happened to me too."

More than one in five women and 5 percent of men are sexually assaulted while at college. Some survivors are coming forward; others are not. In *We Believe You*, students from every kind of college and university—large and small, public and private, highly selective and less so—share experiences of trauma, healing, and everyday activism, representing a diversity of races, economic and family backgrounds, gender identities, immigration statuses, interests, capacities, and loves. This is a bold, irrefutable sampling of voices and stories that should speak to all.
