And All the Saints

Michael Walsh

And All the Saints Michael Walsh

“A tale that feels remarkably authentic...an ode to the ambition and cruelty of Owen Madden...the last of the great Irish American gangsters.”—HARTFORD COURANT

A life too big for facts gets the fiction it deserves.

No crime figure influenced the course of modern American culture the way Owen Madden did. Starting as the leader of the most violent Irish street gang in Hell's Kitchen, the immigrant Madden rose to prominence as the leading brewer and bootlegger in Prohibition-era New York. In due course, he also became Mae West's lover, the founder and proprietor of the Cotton Club, the owner of five heavyweight champions of the world, the man who gave his childhood friend George Raft his big break in Hollywood, and more. Michael Walsh has created a fictionalized memoir that uses Madden's voice to trace his life from his boyhood in England to his heyday in New York and beyond.

Winner of the 2004 American Book Award for fiction.

From reader reviews:

Margaret Wynkoop:

In this 21st century, people become competitive in each and every way. By being competitive today, people have to do something to make themselves survive, being in the middle of the particular crowded place and notice through surrounding. One thing that at times many people have underestimated the idea for a while is reading. Yeah, by reading a publication your ability to survive improves then having a chance to remain than other is high. To suit your needs who want to start reading the book, we give you this specific And All the Saints book as a starter and daily reading reserve. Why, because this book is greater than just a book.

Irene Gonzales:

As people who live in typically the modern era should be aware about what is going on or information even knowledge to make these individuals keep up with the era which can always change and advance. Some of you maybe may update themselves by studying books. It is a good choice in your case but the problems coming to a person is you don't know which one you should start with. This And All the Saints is our recommendation so you keep up with the world. Why, since this book serves what you want and wish in this era.

Sean Owens:

Playing with family in a park, coming to see the coastal world or hanging out with buddies is something that usually you might have done when you have spare time, subsequently why you don't try something that is really opposite from that. One particular activity that makes you not experience tired but still relaxing, thrilling like on a roller coaster you already been ride on and with additional info. Even you love And All the Saints, it is possible to enjoy both. It is a fine combination right, you still want to miss it? What kind of hang-out type is it? Oh seriously it's mind-blowing guys. What? Still don't obtain it, oh come on it's named reading friends.

Cheri Tow:

That e-book can make you to feel relaxed. This kind of book And All the Saints was multi-colored and of course has pictures around. As we know that book And All the Saints has many kinds or genres. Start from kids until teens. For example Naruto or Private investigator Conan you can read and think that you are the character on there. Therefore not at all of books usually are made to bore you, any it makes you feel happy, fun and unwind. Try to choose the best book to suit your needs and try to like reading this.
