Human Anatomy & Physiology, Books a la Carte Edition Erin C. Amerman

NOTE: This edition features the same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Books a la Carte also offer a great value—this format costs significantly less than a new textbook. Before purchasing, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Built for the Way Today's Students Learn

Human Anatomy & Physiology takes a learner-centered approach to help today's A&P students grasp key concepts in anatomy and physiology, and apply these concepts to understand how the human body works. Amerman uses just-in-time coaching, focused and uncluttered visuals that show one-concept-at-a-time, rich self-assessments, and author-narrated animations and videos to provide students the help they need when they need it most. The text's approachable style and wide variety of online learning tools for today's on-the-go student makes A&P accessible for all learners—visual, kinesthetic, or auditory.

Also Available with MasteringA&P[®]

This title is also available with MasteringA&P – an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. Students, if interested in purchasing this title with MasteringA&P, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information.
