One Hour Bible Larry Perry

The One Hour Bible is a "Clift Note" version of 15 major translations of the Bible. The contents include books from the Old Testament, the Books of Apocrypha, and the New Testament. There is no attempt to convert anyone's beliefs or to sway their faith. The book simply explains the contents of each book in the Bible and attempts to get the reader interested enough to go to their own version of the Bible for a more in depth study. This is an excellent resource tool for Sunday School teachers and for graduating students. You can read the entire book in about an hour and have a full basic understanding of the Bible.
