So, You Want to Own a Graphic and Web Design Studio? What I Wish Someone Told Me Mia Jordan
Do you want to start offering your graphic or web design services on a freelance basis? Are you confused with setting up your business, how to handle clients and overwhelmed with the process? I show you exactly how to run your freelance design business efficiently and effectively. Inside you will discover: • How to price your services • How to attract great clients • How to deal with difficult clients • Sample contracts and agreements • Innovative ways to advertise • How to demand higher prices • And more! Learn from my mistakes and years of frustration. I reveal all the tricks I've learned to attracting great clients and the "red flags" to look for that may indicate you should turn down a project. Inside you will discover all the stuff they don't teach you at art and design school along with superb advice from other creative professionals who have already walked a mile in your shoes. Don't let intimidation stop you from opening your own graphic and web design studio. It's easy once you know the ins and outs of the business and client relationships. Get this book and get started today!
