Cocina sana para tu perro (Fuera de colección) (Spanish Edition) Gemma Knowles

¿Por qué cocinamos para nosotros y no para nuestros animales de compañía? El pienso se ha erigido en el alimento fundamental de los perros, pero eso no significa que sea lo mejor para su salud ni para su paladar.

Gemma Knowles, directora del refugio Canópolis en el Parque Natural del Garraf (Barcelona), en el que viven cerca de ciento cincuenta animales en régimen de semilibertad y en espera de una familia que los adopte, así como editora de la revista Todo por los Animales, se decantó hace muchos años por una dieta natural, rica y sana, para alimentar a sus animales, elaborada con carnes, pescados y verduras frescas.

En este libro desea compartir con los lectores sus experiencias y todo lo que ha aprendido cocinando para sus perros, para que así otros canes puedan también disfrutar de una comida sabrosa y nutritiva.
