**Essentials of Cultural Anthropology** Garrick Bailey, James Peoples

This text is a brief, more affordable version of the Peoples and Bailey, *HUMANITY: AN INTRODUCTION TO CULTURAL ANTHROPOLOGY*, 8th Edition (2009). Its coverage of core topics, smaller size, and economical price make it well suited for instructors who wish to adopt a core text along with supplemental texts such as readers and ethnographies. The text shares, in a briefer format, the same rich characteristics that made *HUMANITY* a best-seller over the years: strong scholarship, rich ethnographic examples and a unique focus on modern ethnicity and the survival of indigenous peoples.
