From the Author:

There's something about Samantha Kidd. She's determined, tenacious, and impervious to adversity. I want to be like that! This time out, she's also emotionally raw from her recent split with shoe designer Nick Taylor. Add in her agreement to help his maybe-former girlfriend Amanda Ries with her fashion show and the hot Dante Lestes (who is more than ready to take her mind off Nick), and you've got trouble with a capital T. I hope you enjoy Samantha's latest adventure! ~Diane
