While connecting me up to various machines and monitors and placing nitroglycerine tablets under my tongue, the doctor looked at me early on and said: "You waited too long to get here, sir." I was petrified. There was no immediate response on my part, only a deep sense of fear entombed by a completely paralyzed inner spirit. Much to my surprise, he spoke again: "Sir, you've waited too long to get here. You're not going to make it." And he continued: "If you believe in God, this is the time to make peace." In that very moment, I said to myself, "What do you mean, 'If you believe in God?'" Of course I believe in God! I'm a man of faith and a Catholic priest!"

Fr. John Tourangeau, O. Praem., a Norbertine priest who had an afterlife experience following a major heart attack, emphatically states, "Heaven is for real!" Within this enlightening and hope-filled book, Fr. John weaves a powerful and dynamic tapestry of the Kingdom of God at hand through the exploration of Christian tradition, Sacred Scripture, Catholic teaching, as well as his own lived experiences. "While the fullness of heaven cannot be fully experienced in our life here on earth," Father explains, "we are able to more fully experience God's love for us through our relationships with others. For it is in and through these relationships that we draw closer to Christ and his promise for us."
