ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

The most current and comprehensive introduction to international relations theory

Thoroughly updated to cover world affairs through 2013, *International Relations* is praised for being the most current and comprehensive introduction to international relations theory, as well as security, economic, and global issues.

MyPoliSciLab is an integral part of the Goldstein program. Key learning applications include MyPoliSciLab Video Series, Explorer and Simulations.

A better teaching and learning experience

This program will provide a better teaching and learning experience—for you and your students. Here's how:

- *Personalize Learning*—MyPoliSciLab is an online homework, tutorial, and assessment program. It helps students prepare for class and instructor gauge individual and class performance.
- *Explore Concepts and Current Events*—Includes a balanced survey of security, economic, and transnational issues.
- *Improve Critical Thinking*—Feature boxes help students apply international relations theory to current world problems.
- *Engage Students*—A four-color design and numerous figures, maps, and photos offer a current and lively

reading experience.

- *Emphasize Learning Outcomes*—In MyPoliSciLab, study plans based on book-specific learning objectives give students follow-up reading, video, and multimedia activities for further practice.
- *Support Instructors*—A full set of supplements, including MyPoliSciLab, provides instructors with all the resources and support they need.
