Personal Changes K.C. Wells, S.A. Laybourn

This book is an erotic gay romance. It contains explicit language and lots of steamy sex between two hot guys. For readers 18+ only. Rick Wentworth has had enough of one night stands and quickies in clubs. It takes a night of uncharacteristic hedonism to make Rick admit what he really wants - someone to love him. But for that to happen, he needs to make some changes. Rick can do that. After all, what's the alternative? And when he meets a guy who ticks all his boxes, he can't believe his luck. His boss Blake Davis, and Blake's fiancé Will Parkinson, however, aren't convinced. They want to know more about Mr. Perfect, and their instincts are keener than Rick's. Both men want to protect him. As it turns out, they needn't have worried. Rick has a guardian angel... When Angelo Tarallo sees Rick for the first time, it's a match made in Heaven, as far as he's concerned. And when he rescues Rick from danger, it gives him the opportunity to get to know the man who has captivated him. Before long, it's plain to both men that this could lead somewhere. But when Angelo's traditional Sicilian family finally discover what he's been hiding from them for so long, an ultimatum spells heartache for the lovers – and worse. Also contains a MMM scene.

From reader reviews:

Douglas Stevens:

This Personal Changes tend to be reliable for you who want to become a successful person, why. The explanation of this Personal Changes can be one of the great books you must have is usually giving you more than just simple studying food but feed an individual with information that probably will shock your previous knowledge. This book is handy, you can bring it everywhere and whenever your conditions throughout the e-book and printed ones. Beside that this Personal Changes forcing you to have an enormous of experience such as rich vocabulary, giving you test of critical thinking that we understand it useful in your day exercise. So , let's have it and enjoy reading.

Bruce Healy:

People live in this new day time of lifestyle always make an effort to and must have the spare time or they will get lots of stress from both everyday life and work. So , if we ask do people have free time, we will say absolutely sure. People is human not only a robot. Then we ask again, what kind of activity do you have when the spare time coming to an individual of course your answer can unlimited right. Then do you ever try this one, reading publications. It can be your alternative inside spending your spare time, the actual book you have read will be Personal Changes.

Misty Ware:

Playing with family in the park, coming to see the marine world or hanging out with good friends is thing that usually you have done when you have spare time, after that why you don't try point that really opposite from that. One particular activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of knowledge. Even you love Personal Changes, you are able to enjoy both. It is very good combination right, you still would like to miss it? What kind of hang-out type is it? Oh seriously its mind hangout men. What? Still don't get it, oh come on its named reading friends.

Willie Briggs:

As we know that book is important thing to add our knowledge for everything. By a book we can know everything we wish. A book is a set of written, printed, illustrated or perhaps blank sheet. Every year ended up being exactly added. This book Personal Changes was filled regarding science. Spend your extra time to add your knowledge about your scientific disciplines competence. Some people has various feel when they reading a new book. If you know how big good thing about a book, you can sense enjoy to read a guide. In the modern era like at this point, many ways to get book you wanted.
