Tales of the Marvellous and News of the Strange (Hardcover Classics)

The first English translation of this spectacular collection of medieval Arab fantasy stories

A great cache of ancient, magical stories in the same tradition as *The Arabian Nights*, *Tales of the Marvellous and News of the Strange* is an extraordinary find. Dating from at least a millennium ago, these are the earliest-known Arabic short stories, which survived in a single, ragged manuscript in a library in Istanbul. Some found their way into *The Arabian Nights*, but most have never been read in English before. Composed to fascinate their original audiences, these charming, surreal, baffling, and beautiful stories are indeed both marvelous and strange.
