These Days Of Our Lives Chevon

This is one of the best books of great knowledge ever written. Learn how for thousands of years to the present, the vast majority of humanity came to be psychologically enslaved and exploited by the upper class traditional oppressors of the public; and how humanity can free itself from this legacy of oppression, along with the residue of slavery, the cruelty of engineered poverty and other atrocities. This amazing social bible explains the secret of freethinking and the concrete, abstract and creative mind, and explores the origin and true meaning of imperialism, capitalism and the ancient Pyramid class system in human history. Discover a wonderful world of love, art, music, history, religious knowledge, psychology, social studies, ecology and human kindness. Chevon is a caring writer, free spirit, world traveler and a gifted historian, sociologist, philosopher, poet, artist and musician. His readings, seminars and live shows are considered special treats thanks to his brilliant thoughts from a beautiful mind
