Anti-Semite and Jew: An Exploration of the Etiology of Hate

Jean-Paul Sartre

Anti-Semite and Jew: An Exploration of the Etiology of Hate Jean-Paul Sartre

With a new preface by Michael Walzer

Jean-Paul Sartre's book is a brilliant portrait of both anti-Semite *and* Jew, written by a non-Jew and from a non-Jewish point of view. Nothing of the anti-Semite either in his subtle form as a snob, or in his crude form as a gangster, escapes Sartre's sharp eye, and the whole problem of the Jew's relationship to the Gentile is examined in a concrete and living way, rather than in terms of sociological abstractions.
