Learn How To Read Music Fast And Easily!

If you want to learn how to read music in a very short amount of time, **this book is exactly what you need**. Traditional music lessons can make music theory look so boring. Everything moves so slowly. This book takes a different approach.

In 4 fast and easy steps you will learn how to read sheet music.

In step one, you learn **melody**. This is the tune of the song. You learn all about the staff, treble clef, bass clef, ledger lines, sharps and flats and so much more. All of this is presented in a way that is fun and interesting, to keep you motivated.

Then we move to step two where you learn about **rhythm**. You learn all about time signatures, whole notes, half notes, quarter notes and eighth notes. Then you learn all about the different rests in music and a lot more. Everything is presented in a way that is easy to understand.

In step three, without wasting any time at all, you learn all about **harmony**. You learn about intervals and how to easily form the most important chords in music. You learn about extended chords, chord inversions and the list goes on.

Then finally we combine everything together, melody, music and harmony, to actually **read** the music of songs.

*So if you want to read music fast and easily, **get this book**.*
