Juan Flores

The Diaspora Strikes Back: Caribeño Tales of Learning and Turning (Cultural Spaces) Juan Flores
In *The Diaspora Strikes Back* the eminent ethnic and cultural studies scholar Juan Flores flips the process on its head: what happens to the home country when it is being constantly fed by emigrants returning from abroad? He looks at how 'Nuyoricans' (Puerto Rican New Yorkers) have transformed the home country, introducing hip hop and modern New York culture to the Caribbean island. While he focuses on New York and Mayaguez (in Puerto Rico), the model is broadly applicable. Indians introducing contemporary British culture to India; New York Dominicans bringing slices of New York culture back to the Dominican Republic; Mexicans bringing LA culture (from fast food to heavy metal) back to Guadalajara and Monterrey. This ongoing process is both massive and global, and Flores' novel account will command a significant audience across disciplines.
