Is there any truth to the mythical STRAWMAN story of not? Is it that the Rulers of the planet would like you to believe this corporate overlay on real humans is just a silly myth? Has someone created a clever deception to disguise the truth? And who would these Rulers be that would do such a thing? Take a journey into this story from the perspective of a Soul who comes to Earth to become trapped in the mire of commerce and religion and falls victim to the STRAWMAN overlay. What may seem like a myth and fictional tale looks different as the soul reveals how the Rulers have through the Laws of the Sea and Commerce conquered nations under the kingdom of PLANET EARTH INC.
