## **Visions in Poetry: A Spiritual Awakening Journey** Jackie Hardcastle

Jackie's journey into the unravelling mysteries of the spiritual realm started as a casual glance into her clairvoyant skills, a cute hobby, to pass the evenings away. The Angels had other plans. This story is the unravelling of the information, about the spiritual world through her eyes, as she discovers more about herself, her gifts, and her visions that turned into poetry. Written as a firsthand, introductory account of her awakening spiritual awareness, this book is set in a semi biography format, interlaced with spiritually inspired poetry. The reader is ushered through a variety of personal life lessons that eventually lead into discovering Love, Forgiveness, Gratitude, and Truth. Jackie shares with us experiences, which lead her to feel directed to share the messages, the questions, and inspirational thoughts that came through. The reader is encouraged to ask questions, and form their own opinions as Jackie's quest for knowledge opens the doors for people to explore their own views and experiences about the spiritual realm, and to learn more about the Truth of who they are.
