The Professional Serial Killer and the Career of Ted Bundy: An investigation into the macabre ID-ENTITY of the Serial Killer Bonnie Rippo

In the pages of *The Professional Serial Killer and the Career of Ted Bundy*, you will find yourself eerily intrigued as the serial killer introduces himself to you. Say hello to your neighbor, partner, son, or daughter—whose dual identity now includes the facade of Politician, Clergyman, Lawyer, Contractor, or Compliance Officer. Your imagination will spark as you slowly but gradually become enamored to the serial killer's ingenuity, as an entrepreneur in the art of murder. Now that you are chillingly mesmerized by his charm, the serial killer takes great pleasure in his sting operation. Thrilled as he passionately and addictively perfects his art, the killer creatively refines his ruse for capturing his victims. In order to inflict the highest level of horror and pain each scene is designed to give the killer an ultimate high of sadistic pleasure. As you reel back and forth, from the disdain you feel for the killer, a sudden and unsuspecting sinking feeling erupts through your very being. The sensation that this is not a horror movie, illuminates your mind, and grasps your fascination with the question: How did this happen? A more intriguing question may be: When did this start? You may want to ask three-year old Ted Bundy.
