Actos del lenguaje: La escucha (Spanish Edition) Rafael Echeverria

En esta primera serie de volúmenes en las que Rafael Echevarría nos da cuenta de los actos de lenguaje, este primer tomo se centra en la escucha, tema que ya examinó en otros libros pero sobre el cual le parece indispensable volver, ya que ha ido introduciendo nuevos ángulos de observación. Y es que, tal y como dice este filósofo, la escucha es una de las competencias más importantes del ser humano. En función de ésta construimos nuestras relaciones personales, interpretamos la vida, nos proyectamos hacia el futuro y definimos nuestra capacidad de aprendizaje y de transformación del mundo.
