The course gives balanced attention to the four key language skills: the development of listening comprehension and speaking skills is supported by quality audio materials recorded by native speakers, while answer keys support written work and grammar-acquisition exercises, and facilitate independent study. Authentic written materials develop important receptive skills and encourage the transition to independent reading. • Based on a style of Spanish easily understood by most speakers, thoughtful explanations make clear the main differences between peninsular and Latin American forms and usage • Features an abundance of pair and group work activities ideal for classroom use • Authentic materials and website references foster cultural awareness • Clear, attractive layout with lively illustrations to reinforce learning • Extensive reference features including a grammar guide, verb tables and vocabulary lists • Teachers' guidelines promote practical application in the classroom
