## **God: the Novel: A possibility** R. E. Amnos

What would you give to hear the complete history of the universe and then some, as narrated by the creator himself? (Or should it be "themselves?") Author R. E. Amnos, banking on the sure belief that God has a sense of humor and will forgive him this conceit, combines training in the sciences and music with a passion for exploring the twists and turns of human and natural history to take you on a journey of adventure that begins billions of years before the Garden of Eden and ends up as far in the future as the mind can travel, and in the process pulls off a new riff on the concept of a happy ending. **WARNING:** contains the meaning of life.
