What would it mean to you to know that God had a plan from the beginning of time to heal our physical, emotional and spiritual needs? This study will allow you to fully grasp, share, and see clearly the resources God made readily available before the existence of man. Sadly, we have chosen not to see or use these resources. The goal of Healing: God's Forgotten Gift is for you to discover and experience the gifts God has given to us to restore and heal the physical and emotional body. Dr. David Stewart, author of Healing Oils of the Bible, will place you firmly on a journey that will provide you the opportunity to fully understand, "God's perfect will is not to heal you; His perfect will is that you don't get sick to begin with."
