Second Shift (Shifted Book 2)

Lynn Leite

Second Shift (Shifted Book 2) Lynn Leite

Second Shift is book 2 in the Shifted series.

Willow Brooks has an uncanny talent for predicting the future.

Too bad she can't see her own path.

Her sister, Rory, is now married to a werewolf. She had seen that coming long before her sister or Maverick did. What she didn't see coming was the hulking werewolf she now lived with becoming her best friend, or his missing brother becoming her obsession.
