## **Blood Brothers, Episodes 1-4: A Dark BBW Dom Billionaire Stepbrother Menage Serial (Stepbrother Billionaire Games) Bethany Walker**

NOTE: This is a collection of the first four episodes of Blood Brothers, a serialized novel. It's approximately 45,000 words with a juicy cliffhanger. If you've already read episodes 1-4, there's nothing new here. For new readers: Welcome. The Blood Brothers are waiting for you...

~~~

TWO STEPBROTHERS. LIMITLESS MONEY. ONE RULE: NEVER SAY NO.

I'm Galen Blood. My stepbrother and I are richer than God and sicker than the Devil. We like to play games. The kinds of games only billionaires as fucked in the head as we are can play, with global stakes. Corporations and countries fall just because we think it's funny.

Today, our game is about HER. Eliza. The piece of trash in a leopard print skirt we dredged out of the Las Vegas gutter.

Braden thinks I can't make her a perfect sub. That I can't dress her up beautifully, convince everyone she's a lady, and make her my whore in the back room.

I disagree.

And I'm going to prove it by tearing her down one piece at a time and shoving my dick inside every crevice. She's gonna beg for my cock. She'll begged to be fucked, and I'm going to use her, destroy her, make her mine.

By the time we're done with her, she might even love me.

When she does, I'll finally win. I'll finally have beaten Braden. And nothing will ever be the same.

\*\*\*

I'm Eliza—no last name, please. I've had a bad night. Actually, I've had a lot of bad nights. A lifetime of bad nights, one might say.

Then one bad night turned into a really strange night, where some big shot billionaire shoved me into his limousine. He says he wants to offer me a deal. He says he'll give me everything as long as I never say no to him.

If he knew the truth about me, he wouldn't make that offer.

So sure, I'll take it. I'll get what I need from him. If he gets what he wants from me in the meantime, that's fine too.

As long as he doesn't find out my secret.

And as long as I don't fall in love.

Shouldn't be too hard. This isn't the first time I've been fucked.

These Blood brothers won't know what's hit them.

\*\*\*

The name is Braden Blood. I like to play games.

More importantly, I like to get revenge.

I've picked a girl for my brother to use. He thinks the choice is random. He thinks that she's just some random, faceless skank outside a club, interchangeable with any other woman we might have dug out of Las Vegas.

He doesn't know what I know.

Nothing is random, little brother. Nothing. Not the way you want her, not the way she looks at you, and not the circumstances that led to us finding her in that gutter one night.

You think you're going to fuck me by fucking her? You think that her love won't destroy you?

Just wait. I'm gonna fuck you both.
