Every Time We Say Goodbye Liz Flaherty

He had her at "hello again..."

After the prom night accident that had stolen the innocence of his small lakeside hometown, Jack Llewellyn had run. The guilt—especially facing his high school sweetheart, Arlie Gallagher—had been too much. Now he had no choice. He was back in town, and on Arlie's radar.

Arlie couldn't believe that after all these years, she still had him under her skin. He was such a changed man...a responsible business owner, a single parent. Would he understand the changes she'd gone through, the secrets she lived with? She was ready to forgive him but was he ready to forgive himself? And did they have to say goodbye this time?
