Favor Makes No Sense Jerry Grillo

Many of us live with lost potential while questioning God's desire for our lives. Favor Makes No Sense makes clear exactly what God expects from us and what He is willing to do to see us blessed. Jerry Grillo has a message that puts prosperity into context; he teaches favor from the Word of God. You too can live a life full of favor on a daily basis. God is not hiding from us...He wants us to know Him and the power of His resurrection. However, to know God in His power, we must be willing to fellowship in His sufferings. We all want the blessings...but not all of us are willing to do what it takes to receive them! Discover the actions that STOP the flow of favor. Defeat the seven enemies that can STOP your favor. Get ready for the power of favor to increase everything you do. God is about to pour out His blessings on you and on those around you. About the author: Bishop Jerry Grillo Jr. is anointed to motivate and encourage the body of Christ. He teaches Christians to walk in God's fullness. He preaches the uncompromising word of God. He is presently the founder and presiding bishop of Living Word Fellowship in Hickory, North Carolina - a body of believers that are breaking out of the box of religiosity and moving forward in the Favor of God.
