Hannah Arendt

Julia Kristeva

Hannah Arendt Julia Kristeva

Centering on the theme of female genius, Hannah Arendt emphasizes three features of the philosopher's work. First, by exploring Arendt's critique of Saint Augustine and her biographical essay on Rahel Varnhagen, Kristeva accentuates Arendt's commitment to recounting lives and to narration. Second, Kristeva reflects on Arendt's perspective on Judaism, anti-Semitism, and the "banality of evil." Finally, the biography brings together Arendt's intellectual itinerary, placing her enthusiasm for observing both social phenomena and political events in the context of her personal life.
