Amber's mother is a whore. A worthless, drunk druggie whore. Apparently, she's not very good at her job, because when she steals a few bags from a local dealer named Big Will, he's not interested in the kind of payment she usually gives. Desperate and afraid, the woman tells Big Will she has an 18 year old daughter. That? That he can work with.

Amber is outraged, but she's always felt like it was her fault that her mom turned out this way after dad skipped town. She knows what she has to do. When she answers the door, still wet from the shower, Amber is afraid of the big black man. But once Big Will shows her what he's working with and she realizes how he got that silly nickname? She's hot, slick, and ready.

Amber owes her mother a thank you for sending this hard bad boy her way.
