Now You See Me, Now You Don't Diana Swanson

Recently widowed Toni MacArthur heads to a small Minnesota town to start a new life. She begins by accepting a position as the junior high principal. Life in this small town becomes complicated as she deals with the superintendent's affectionate, hands-on management style, bullying parents, teen drug use, and a sense of unease about being watched. To further complicate matters, a mysterious corpse is found on the steps of the school. What further challenges confront Toni as she struggles to create her uncertain future?

From reader reviews:

Bessie Papp:

Nowadays reading books are more than want or need but also be a life style. This reading behavior give you lot of advantages. Advantages you got of course the knowledge the particular information inside the book in which improve your knowledge and information. The info you get based on what kind of guide you read, if you want attract knowledge just go with education books but if you want experience happy read one using theme for entertaining for instance comic or novel. Often the Now You See Me, Now You Don't is kind of publication which is giving the reader unpredictable experience.

Denise Barnhart:

The actual book Now You See Me, Now You Don't will bring one to the new experience of reading any book. The author style to clarify the idea is very unique. In case you try to find new book to read, this book very acceptable to you. The book Now You See Me, Now You Don't is much recommended to you you just read. You can also get the e-book from official web site, so you can more readily to read the book.

Erica Lewis:

Playing with family in a very park, coming to see the sea world or hanging out with friends is thing that usually you have done when you have spare time, after that why you don't try point that really opposite from that. 1 activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love Now You See Me, Now You Don't, you may enjoy both. It is excellent combination right, you still need to miss it? What kind of hang type is it? Oh come on its mind hangout folks. What? Still don't get it, oh come on its called reading friends.

Cassandra Sanderson:

Many people spending their time by playing outside along with friends, fun activity together with family or just watching TV all day long. You can have new activity to spend your whole day by studying a book. Ugh, you think reading a book can actually hard because you have to accept the book everywhere? It okay you can have the e-book, bringing everywhere you want in your Touch screen phone. Like Now You See Me, Now You Don't which is keeping the e-book version. So , why not try out this book? Let's notice.
