## To Fly By Night: Craft of the Hedgewitch

Hedgewitch Craft takes its name from the practice of travelling beyond the boundaries, of going past the "hedgerows" that divide what is known from what is unknown. Hedgewitches utilize diverse techniques to undertake the night-flight into strange and sometimes dangerous places in order to gain spirit-allies, magickal abilities and knowledge, to heal and to commune with the Gods and the ancestors.

From the ancient to the modern, from the philosophical and historical to the practical and mystical, these essays span a wide variety of paths and approaches. To Fly By Night features works by: Robin Artisson
