Tug Boat: A Sea Story mr. phillip p reed

This story covers six decades of life, not all good, but not all bad. I wondered over much of the world and found that life is what you put into it. I was never out to set the world on fire, I mostly just wanted to keep my ass warm and dry. My short stories are about working men, some times in places you wouldn't want to be. No hero's in real life, men just do what they do to see the sun come up, that's life real life.
