**Bump in the Night** Edward Hemingway

Bumps in the night don't have to be scary!

No one likes being woken up by a bump in the night. What if it's a ghoulie, a ghosty or a long-leggedy beasty? This fresh and funny story turns this classic premise on its head when Billy's monster turns out to be a yo-yo using, horseback-riding, ghoulie-scaring, beastie-ropin' monster—just the kind you want to have along on adventures.

A breakout new talent shares a warm, clever take on the classic premise.
