Deleuze and Film (Deleuze Connections EUP)

Deleuze and Film (Deleuze Connections EUP)

A wide-ranging collection of essays on the film-philosophy of Gilles Deleuze. Deleuze and Film explores how different films from around the world 'think' about topics like history, national identity, geopolitics, ethics, gender, genre, affect, religion, surveillance culture, digital aesthetics and the body. Mapping the global diversity of this cinematic thinking, this book greatly expands upon the range of films discussed in Deleuze's Cinema books.
