## Good and Evil Lacey Deaver

### Synopsis:

A haunting story of choices and consequences, darkness and light, and two men leading two very different lives. One man is a ruthless, calculating businessman who has successfully built up a corporate empire on the backs of those he has trod into the dust to achieve his goals. Unwavering and dedicated in his career, Jack Krantz knows the ins and outs of the business world, but ignores the emptiness in his own heart. He will do anything to reach his definition of success, including swindling his ex-partner and friend, Tyler Emerson, out of his livelihood. Bowed by sorrow and beleaguered with financial worries, as well as caring for his sister in the home they have been threatened to lose, Tyler watches as not only his life crumbles around him, but his old friend is losing his soul.

*For what will it profit a man if he gains the whole world, and loses his own soul? (Mark 8:36)*

### Reviews:

#### **5-Stars from Readers' Favorite**

*Good & Evil by Lacey Deaver is an excellent book. Jack Krantz is the 'disbelieving in God,' mean man. Tyler Emerson strongly believes in God and always does the right thing. Jack is a very rich man and wants to become richer, even if it means destroying other people. Tyler is wheelchair bound and without means of income and believes God will provide for all of his needs. Jack has taken Tyler's wife, destroyed their business partnership and is now trying to evict him and his sister Elizabeth from their home. When Jack has an accident that comes very close to killing him, it is Tyler who visits him every day in the hospital, trying to convince him to accept Jesus or risk going to Hell. Though no one can see or hear the two spirits following Jack on his path of recovery, the reader hears the debate of who shall claim him upon his death. Each argument is backed with a biblical truth and each paragraph ends in a passage from a book in the bible. The ending was one I did not at all see coming, but was a perfect finish.*

*Good & Evil was very different in a very good way. I was totally caught up by both sides – liking one and being disappointed for the other. The story could have been a standalone but the bible quotes made it so much more realistic. I found myself wanting to help Tyler and witness to Jack because Lacey Deaver made it seem so real. Whether or not you believe in God, this is a great book, pitting good against evil in man and how it can play out. Do not pass up Good & Evil; it is an inspiration.*

### From reader reviews:

#### **Carol Frazier:**

What do you consider book? It is just for students since they're still students or that for all people in the world, the actual best subject for that? Just you can be answered for that issue above. Every person has several personality and hobby per other. Don't to be pressured someone or something that they don't want do that. You must know how great and important the book Good and Evil. All type of book are you able to see on many resources. You can look for the internet resources or other social media.

#### **Angela Jones:**

Here thing why that Good and Evil are different and trustworthy to be yours. First of all reading a book is good however it depends in the content of computer which is the content is as scrumptious as food or not. Good and Evil giving you information deeper including different ways, you can find any guide out there but there is no reserve that similar with Good and Evil. It gives you thrill examining journey, its open up your personal eyes about the thing that will happened in the world which is maybe can be happened around you. It is easy to bring everywhere like in playground, café, or even in your technique home by train. When you are having difficulties in bringing the printed book maybe the form of Good and Evil in e-book can be your alternative.

#### **Arthur West:**

This book untitled Good and Evil to be one of several books in which best seller in this year, this is because when you read this guide you can get a lot of benefit on it. You will easily to buy this specific book in the book retail outlet or you can order it by means of online. The publisher on this book sells the e-book too. It makes you quickly to read this book, as you can read this book in your Smart phone. So there is no reason for your requirements to past this book from your list.

#### **Hattie Leclair:**

Do you like reading a guide? Confuse to looking for your favorite book? Or your book seemed to be rare? Why so many issue for the book? But almost any people feel that they enjoy to get reading. Some people likes reading through, not only science book and also novel and Good and Evil or others sources were given information for you. After you know how the good a book, you feel desire to read more and more. Science e-book was created for teacher or students especially. Those ebooks are helping them to bring their knowledge. In other case, beside science book, any other book likes Good and Evil to make your spare time a lot more colorful. Many types of book like this.
